

Daffodils 4 Hope

Celebrating Survivorship

Prayer Walk for Hope
and Health

Saturday, March 25th
10 - 12:00 p.m.

Roswell Presbyterian
Church

NEW Myrtle Street
D4H Planted Site

Zion Missionary
Baptist Church

Please join us as we gather for our 2nd Annual Daffodils 4 Hope celebration where we raise awareness of cancer survivorship and as we walk and pray for hope and health! Let us come together in support of cancer patients and caregivers while observing the beauty of the daffodil and hearing the story of its resilience, a symbol of hope, rebirth, and new beginnings. This is an outdoor event and will occur rain or shine.

We will gather to begin our walk in the front of the main sanctuary of the upcoming Daffodils 4 Hope planting site located at Roswell Presbyterian Church (755 Mimosa Blvd.). After prayer and purpose, we will walk down Oak Street to the NEW Daffodils 4 Hope planted site on Myrtle Street where we will hear the story of the daffodil and lay painted stones in recognition of the occasion. We will then proceed down the street to Zion MBC (888 Zion Circle) in the area of the daffodils where we will finish the celebration. Both walkers and non-walkers are invited to come and be a part of this multi-site celebration. Water will be available before, during and after the walk. Snacks will be available after the walk at the Zion D4H site.

*This celebration is a collaborative effort between
Zion CanCare, Roswell Organization of Community Development, Roswell Presbyterian Church, and Daffodils 4 Hope.*
